INTELLIGENCE ADVISORY COMMITTEE

Review of National Security Council Intelligence Directives

References: IAC-M-292, item 3; IAC-M-287, item 10

1. General Truscott has asked that the attached redraft of NSCID No. 17 be circulated to members of the Ad Hoc Committee for Revision of NSCIDs. The changes indicated have been suggested by Army with the concurrence of General Truscott's staff. No other member of the Working Group has as yet suggested changes in the present directive.

2. These changes are essentially only minor editorial clarifications. Therefore no special meeting of the Ad Hoc Committee is planned for this NSCID, but members will be asked to act on this proposed redraft when the group next meets on some other NSCID.
